

TRINITY ELEMENTARY EAST AND ELEMENTARY WEST

Home of the Titans

Dickinson Catholic Schools have a firm commitment to the development of the whole student – mind, body, and soul.

ACADEMICS:

One assessment tool that DCS uses to evaluate student progress is Measurement of Academic Progress (MAP) testing. The computer-based examinations are administered semi-annually to accomplish the following:

- Provide data teachers can use to personalize instruction
- Support efforts to engage students in their learning goals and progress
- To supply easy-to-understand information about every student's academic successes and opportunities
- To give students and their parents an opportunity to see how students perform in comparison with other students in the nation
- To measure each student's reading level (called his or her Lexile score)

Another assessment tool that DCS uses is the NDSA by Smarter Balanced aligned with common core. Being a private school, we can pick and choose the standards we feel are best for students. We also can go above and beyond those standards because of our high expectations that we hold for all students.

CURRICULUM INCLUDES:

Dickinson Catholic School focuses on developing a solid foundation for academic and personal success. It is our belief that young students need to attain proficiency in these building blocks of knowledge.

Art
Computer Skills
Handwriting
Language Arts
Library
Mathematics

Music
Physical Education
Religion
Science
Social Studies

FAITH FORMATION:

- To assist parents in their lifelong duty as the primary faith instructors of their children.
- The school provides instruction in the doctrine and beliefs of the Catholic faith at all grade levels.
- Students plan and participate in liturgies.
- Faith is integrated in all aspects of the school day: morning prayer, service projects, prayer services, the school environment, and the values lived. Experiencing faith is part of our lives each school day.

DCS ELEMENTARY SCHOOLS:

Pre-school through 6th grade

Weekly mass with student participation

Mentoring relationships with high school students

Student Leadership positions

High expectations for all students

Family atmosphere

Small class size; student to teacher ratio 18:1

Approval status for ND schools

Exceptional faculty

Emphasis on moral development and leadership skills

Students of all faith denominations are welcome

Involvement:

We encourage parents to remain active in the lives of their children. You can be involved in the following ways:

- PTO
- Fundraising Committees
- Classroom activities and projects
- Be a classroom helper
- Field trip supervisor

Extended Care

Both Elementary schools offer afterschool care. This is open from when school is dismissed for the day until 6pm. Children are offered an afterschool snack and are able to get help with homework or play in a safe environment. Available for students in preschool after-noon session to grade 6.

Our Mission: Educating the whole student: Mind, Body, and Soul
