

Titan Tots Preschool

NOTES TO KNOW

A Few Fast Facts:

- *Titan Tots* is offered in an elementary school setting, allowing our *Titan Tots* students to experience how a school runs—things like the sound of school bells, how to line up in a hallway, recognizing familiar school faces, and the opportunity for working with an older student or “buddy” for special events or classroom projects.
- *Titan Tots* is licensed through Stark County Social Services, thus we are inspected for fire safety and are visited by the Stark County Licensor twice per year
- *Titan Tots* participates in the **Bright and Early ND Program**. Launched by the North Dakota Department of Health and Human Services in 2015, this program gives *Titan Tots* extra accreditation focusing on areas of Health and Safety, Space and Materials, Activities and Experiences, Relationships and Interactions. *Bright and Early ND* is an organized and cost effective framework to sustain child care capacity, develop the child care workforce, prepare children to enter school ready to succeed, and provide valuable consumer information to families.
- *Titan Tots* students are not required to wear school uniforms.
- *Titan Tots* students enrolled in the afternoon sessions, are welcome for Trinity Extended Care—our afterschool program.
